4b. Chris Thomas, Director of Elections reported:

- HB 6022 – Inactive File. This is critical legislation that should not be tied into the political arena. Chris urges our support and to contact the Legislators. The NVRA allows States to have this process. The Bureau will do the mailings and cancellation confirmation notices.

- Chris recommended mailing AV applications if this is a process that has been done in the past. An appeal is filed at the Court of Appeals but there is no judgment yet.

- Advised us to watch for “Project Vote” and not to accept voter registrations that come to our offices from this project.

- AutoMARK training was discussed and the equipment agreement deadline to be signed and returned is May 18, 2006.
