Director’s Message

Debra Batliner, Region V Director from Kentucky

Happy Summer!! We hope you are all finding ways to keep cool. First, we want to say thank you to the Tennessee Clerks for hosting such a great IIMC 65th Annual Conference this year. The Tennessee Clerks made such a huge undertaking look easy by being so well organized and greeting everyone with that southern hospitality. As always, the conference was filled with lots of educational and leadership opportunities. So much so, it was hard to choose which session to attend.

Also at the conference, we held our Region V meeting. At the meeting, Tami and I gave an update from our IIMC Board of Directors Meeting. A couple of highlights: was the fact that IIMC is in good financial standing and has been able to repay the loan from MCEF three years ahead of schedule; and Michigan Clerk Terri Kowal announced she will be seeking the Region V Director position in 2012.

Terri’s announcement wasn’t the only exciting announcement at the meeting. Indiana Clerk, Brenda Young announced that she will be running for the office of Vice President in 2012. We hope all of you will join Tami and me in supporting Brenda. Brenda has an enthusiasm about the clerk profession and IIMC that is certainly contagious and those assets would make her a great leader for IIMC.

We would certainly be remiss if we didn’t take this opportunity to thank Immediate Past President Sharon Cassler for her leadership and the bridges she built this year. Sharon’s theme for the year was building bridges and she has definitely accomplished that with our members here and abroad.

I would like to say congratulations to my co Region Director, Tami. Tami received the President’s Award Merit for her work on multiple committees and perseverance with the Study Abroad Program which may not have survived without Tami’s diligence.

As you know our fall Region V Meeting will be in Indianapolis. Information is included in the newsletter and we hope to see you there!

If you have any questions or concerns about anything to do with IIMC, please don’t hesitate to contact us.

Tami Kelly, Region V Director from Ohio
Dear Region V Colleagues,

There are not enough words for me to express my gratitude for your work this year. Your commitment and dedication to IIMC is much appreciated. I once read a message that sums up my feelings towards our organization:

The six most important words: I admit I made a mistake. The five most important words: You did a good job. The four most important words: What is YOUR opinion? The three most important words: If you please. The two most important words: THANK YOU. The one most important word: WE.

Thank you so much for your leadership to IIMC but mostly, Thank you for your friendship and support.

The message on the card above is spoken from my heart to each one of you. The members of Region V are some of the most authentic, genuine, loving, caring people I know! Your support of my Presidency means the world to me. I can’t imagine my term culminating anywhere else but at the Nashville Conference! WOW – Marilyn Swing (Host Clerk) and all of her committee members need to be commended for what is, in my mind, the best IIMC Conference yet! From the minute we stepped foot in Nashville we knew it was going to be great week. The work that went in to the Opening Ceremony definitely showed as it was, by far, a truly outstanding event and again, in my mind, the best one yet! The General Sessions speakers, the educational sessions and all of our receptions were simply awesome. Our Region V dinner, which was held at the home of one of Nashville’s Council members, was a unique opportunity for us and many thanks goes out to Region V Director, Tami Kelly for making it happen. Thank you Tennessee Clerks for making the 2011 IIMC Conference a very memorable week. Thank you to all Region V members for the beautiful necklace. Each time I wear it, I think of my friends from Indiana, Kentucky, Tennessee, Michigan and Ohio! What I hold most dear is your gift of friendship. I am very thankful for such a supportive group of friends, I can’t imagine serving such a great organization without that support. Many blessings to all of you! See you in Indy in September! Sharon
MARILYN SWING, MMC RETIRES

After 27 years in the Clerks office and 37 in municipal government, our beautiful friend and colleague has retired.

But, don’t shed any tears. Marilyn promises to remain in contact and active in IIMC. As a matter of fact, we will see her in Portland for the 2012 IIMC Conference.

Congratulations Marilyn!! Enjoy your new found freedom.

Brenda K. Young, MMC Announces Candidacy for IIMC Vice President

“Think Young – B. Young”

I have loved IIMC since I attended my first IIMC Conference in Albuquerque, NM in 1996. I am hooked! I truly enjoyed serving as your Region V Director and would be honored to serve as your IIMC Vice-President in 2012.

I would like to give of my time, experience and enthusiasm to keep this great organization going strong into the future.

Congratulations Indiana League of Municipal Clerks and Treasurers on your 75th Anniversary!!

REGION V MEETING – Indianapolis, INDIANA, SEPTEMBER 15-17, 2011

Detailed information is included in this newsletter. If you haven’t already signed up, please take a minute and do so now 😊.

Congratulations TAMCAR on hosting an Outstanding IIMC Conference.

What a wonderful experience full of charm, hospitality, fun, friends, and education!
As I write this, the Indiana League of Municipal Clerks and Treasurers ("ILMCT") is enjoying our 75th Annual Conference, featuring a cruise on Lake Michigan, a keynote address by IIMC President-Elect Brenda M. Cirtin, MMC, MPCC, and a black-tie awards banquet. Our theme this year has been “Education, Experience, and Expertise – 75 Years of Making a Difference.”

After we recuperate from our Diamond Jubilee, we will be busy making preparations for your visit to Indianapolis on September 15-17 for the IIMC Region V Conference. Incoming ILMCT President Kay Brown, IAMC, MMC, CPFA, and her committee are making sure that your stay in the Circle City is most enjoyable. I hope to see you there!

With the term of my ILMCT presidency coming to a close on July 1, I have been reflecting on the wonderful friendships I have made at Region V events. It has been an honor for me to serve, and a thrill for me to be associated with this highly motivated group of municipal professionals. I hope you don’t mind if I refer to you as “municipal clerk over-achievers.”

Thank you for helping to make Region V be the best it can be.
Annual IIMC Region Meeting
Indianapolis, Indiana

ILMCT Welcomes Region V to Circle City...
The Crossroads of America

The Indiana League of Municipal Clerks and Treasurers (ILMCT) proudly hosts the International Institute of Municipal Clerks Region V Annual Meeting in downtown Indianapolis. Two downtown landmarks, Monument Circle and Indiana War Memorial Plaza, are among America’s great urban spaces. The Circle centers the city and furnishes its “Circle City” calling card. The Circle City has it all. Visit the Canal Walk...cutting through the heart of downtown, this 1.5-mile stretch of the Central Canal offers sweeping views of downtown on a designated path. Connected by skywalk to the Hyatt Regency, Circle Centre offers 100+ stores for shopping and is anchored by Carson Pirie Scott. Indianapolis comes alive after dark with hundreds of places for good times, good food and good conversation.

Region V Directors Tami Kelly (Ohio) and Debbie Batliner (Kentucky) will hold the annual meeting and bring you the latest IIMC information. If you were unable to attend the 65th IIMC Annual Conference in Tennessee, this is the perfect opportunity to learn more about IIMC and obtain CMC or MMC credits for the educational session. In addition, you are invited to participate in the Athenian Leadership Society Dialogue for two CMC or MMC credits upon completion of the knowledge assessment.

  Accountability and Organizational Success
  An organization will perform at its full potential at a time in which all of its employees assume personal responsibility for achieving results. When this occurs, goals become the organizing principle, jobs become missions, tasks become exciting challenges, departments become teams and managers become true leaders. Attend this session and learn the leader’s role in creating an accountable organization. Specifically, we will focus on exploring two accountability models: the leader’s role in defining results, generating action, identifying beliefs and creating experiences to instill beliefs and the collective I role in seeing, owning, solving and doing as a means to enhance productivity and outcomes.
  Creating a Motivating Environment
  Everyone is motivated! People are either motivated to do something or not do something. We know that true motivation is internal, intrinsic. Yet, certain environments enhance intrinsic motivation while other environments seem to overwhelm or block the motivational process. As an administrator, manager or supervisor what can you do to create an environment that supports and incites motivation? You will learn the compelling differences between intrinsic and extrinsic motivation; the most recent knowledge about how the motivation process really works; how choice, challenge and collaboration ignite motivation; and the connection between engagement and motivation.

Book for Dialogue – “Robert Kennedy: His Life” by Evan Thomas
“Robert Kennedy: His Life” by Evan Thomas

Robert F. Kennedy or RFK, as he was often referred to, or Bobby as his family called him, was a scion of the powerful and wealthy patriarch Joseph Kennedy. Born in 1925, RFK earned a baccalaureate degree from Harvard and a Law degree from the almost equally prestigious University of Virginia at Charlottesville. Following John F. Kennedy’s election as president, RFK became Attorney General and almost immediately stepped into public view. He was a tireless advocate for civil rights and unlike most political leaders, his actions often spoke louder than his words. He was a warrior and there is no better testimony to the validity of this assertion than the tumultuous and confrontational relationship he had with the Director of the FBI, J. Edgar Hoover, and his relentless investigation of Jimmy Hoffa and the corrupt Teamster’s Union.

Bobby Kennedy was an enigma and his life was filled with contradictions and accomplishments. One facet of his life was the family man, a devoted husband who loved his children and the excitement of family events and intellectual stimulation he presided over at Hickory Hill. But there was another side and that was the boisterous and at times acerbic edge that he showed when he confronted injustice when the president needed some insulation and defense against his attackers and detractors. In between these two facets, there was a romantic and a poet who loved and quoted Shakespeare and delighted in studying the ancient Greeks. Here perhaps most of all the enigma of Bobby Kennedy showed itself to the world. In his personal and professional life, RFK was a pragmatist, he was tested in the trenches of government and he matured under fire. His advice was always thoughtful and sound and this ultimately positioned him as the president's most trusted advisor.

Following the assassination of President Kennedy, Bobby remained Attorney General under President Johnson for approximately nine months. He resigned his Cabinet post to run for the Senate from New York and he won that election. Following this victory, he began structuring a campaign for the presidency. His candidacy was gaining momentum when on that fateful day in June of 1968, as he was leaving the Ambassador Hotel in Los Angeles, he was struck down by a flurry of bullets. Sirhan Sirhan, a 24-year-old Palestinian man shot and mortally wounded Bobby Kennedy and again America was plunged into the depths of mourning and despair. The bullets from a crazed gunman not only ended the life and career of one of the most interesting political figures of the 20th century, America lost what could have been one of the best presidents of the 20th century. Bobby Kennedy lived an enigmatic life; he was a visionary, a tireless advocate for civil rights, and a leader. In this biography, Evan Thomas gives us an inside look at a political leader whose life was rich with paradox and promise.

Wow, what an awesome IIMC Conference! On behalf of the Kentucky City Clerks, let me extend a very special thanks to Marilyn Swing and the Tennessee Municipal Clerks and Recorders! Kudos to IIMC Past President Sharon Cassler and our Region V Directors, Tami Kelly & Debbie Batliner, along with everyone who helped with the conference. Also a very special thanks to the hosts of our wonderful Region V dinner! The City of Nashville and the Gaylord Opryland Hotel were most gracious hosts.

Kentucky is still moving forward with the Request for Proposal for an Institute Director. Our Education Committee Chair, Crissy Upton, City Clerk of Hopkinsville, and the co-chair, Debbie Batliner, City Clerk/Treasurer of Simpsonville are organizing our 2011 Kentucky Municipal Clerks Institute which is going to be held the week of August 22-26 at the Hyatt in downtown Louisville. We are also moving forward with our Kentucky Master Municipal Clerks Academy which is going to be held the same week on August 24-26. The curriculum is going to be fantastic.

Mark your 2012 calendar! Plan to come to Louisville, Kentucky where we will host the IIMC Region V Conference. Watch our website www.kyclerks.com for details on the dates and curriculum.

In April, we recognized our 2011 Kentucky Municipal Clerk of the Year, Sandra Doane, City Clerk/Treasurer of the City of Eminence. I also recognized Gayle Davis, City Clerk/Treasurer of the City of Scottsville, for her dedication and work on updating Kentucky Municipal Clerks By-laws as well as Joe Christofield, City Clerk of Florence, for his dedication and work on completing the Kentucky Municipal Clerks Membership Directory.
The Michigan Association of Municipal Clerks held their Annual Conference at the Shanty Creek Resort in June. The reins will now be turned over to Joel Hondrop, Bryon Township Clerk. Congratulations Joel.

The communities in Michigan are continuing to rally against the nation’s economy, as many in our Region are. MAMC continues to work with its Lobbyist to work with the State Legislature for laws and policies that benefit the local government. In addition, we have a Clerk PACK, which is a political action committee that attends Legislative PACK Fundraisers. This helps us get our voices heard and our Association known.

MAMC is also working on a revamp of its website. We anticipate that to be completed by the end of the year. We are also conducting Board Strategic Planning Sessions and will hold another one in October.

We look forward to seeing everyone in Indiana in September.
Hello from Ohio!

The spring of this year was a busy time for the Ohio Municipal Clerks Association. First there was the annual spring conference held April 19-20, 2011 and two weeks after that many clerks also attended the IIMC Annual Conference in Nashville. This was an important conference because Ohio’s Sharon Cassler, MMC, Clerk of Council, from Cambridge, Ohio served as IIMC’s President at this conference. Sharon was the second IIMC President from Ohio. For a little history, the first Ohio IIMC President was Peg Griffith, Lima, Ohio, who was President in 1988-1989.

The Annual Spring Conference/Institute was held at Kings Island Resort and Conference Center in Mason, Ohio. The theme was “Broaden Your Horizons”. This two day conference included separate educational sessions for CMC and MMC. This was the first time that the spring conference was given 6 CMC or 6 MMC points. In the past we only received one point for a spring conference. This conference entailed the annual business meeting and installation of the new officers for the coming year.

OMCA is now in the process of planning for its Fall Institute through Kent State University. OMCA offers a generous scholarship program to its members. For the first time this year it will also shorten the length of the program to make it easier for clerks to attend the session and not be away from the office as long. The Fall Institute is usually held the first week of October.

Well that’s all from Ohio which I recently learned the name “Ohio” comes from the Seneca Indian word ohi-yo which means “beautiful river” or large creek”. Looking forward to seeing all of you in September at the Region V meeting.
Greetings from Tennessee!

What a great IIMC conference in May! I can tell you most of us are still catching our breath! Tennessee had approximately 41 delegates at the Opryland hotel and Conference Center who represented TAMCAR.

TAMCAR members made new friendships through networking and volunteering at the IIMC conference. Take the opportunity to keep up with us on www.Facebook.com. Visit us and reminisce over conference pictures by searching the group TAMCAR. This is a great media tool for networking with fellow clerks and recorders as well as just keeping up with happenings within our great organization! We continue to post information on TAMCAR’s website as well, so please visit us at www.TAMCAR.org

TAMCAR’s fall session and Annual Business Meeting is currently planned for September 21 – 23, at the Embassy Suites in Murfreesboro, Tennessee. Our new institute director, Mr. Dana Deem of UT-MTAS, is diving into the planning of great educational sessions and activities.

I look forward to Region V’s meeting in Indianapolis this year. There’s a great antique mall (Exit 76) my family likes to visit when traveling I-65 back home to the northwest corner of the state. So if I’m late to the meeting, just page me at the mall!

I wish you a wonderful summer; be safe, and see you in Indy!

MEMBERSHIP DEFINITIONS

FULL MEMBER
Full members are Municipal Clerks, City Secretaries, Recorders, Legislative Administrators and Directors of Corporate Services and/or an individual who serves a Legislative Government Body (LGB) in an administrative capacity with management responsibilities and whose duties include four of the following: • General Management • Records Management • Elections • Meeting Administration • Management of by-laws, Articles of Incorporation, ordinances or other legal instruments • Human Resources Management • Financial Management • Custody of the official seal and execution of official documents.

ADDITIONAL FULL MEMBER
Additional Full Members are fully qualified members from the same organization. This would essentially be Deputy Clerks within the same City, but could be other individuals provided they would qualify under the definition of Full Member. A city must have one Full Member before they would be eligible to have Additional Full Members.

ASSOCIATE MEMBER
Associate Members are individuals serving a legislative body in a capacity not previously defined. In other words if someone serving a legislative body does not qualify for Full Membership they would be able to join as an Associate Member. Associate members DO NOT have the right to vote, hold office or obtain certification, but they can take advantage of education programs and should they eventually assume the job of Clerk or Deputy, they could then apply for certification. A Full Member who is in transition (between jobs) would automatically become an Associate Member until they reassume the position of Clerk. Associate members would also pay a lower fee.

CORPORATE MEMBER
Corporate Members are those companies that find it advantageous to be affiliated with IIMC. They would not have any voting rights nor could they hold office or be certified.
