MISSION

The purpose of the Michigan Association of Municipal Clerks (MAMC) Board of Directors shall be to promote, enhance, and encourage the professional development and standing of municipal clerks through cooperation, communication, education and training by utilizing seminars, institutes and meetings; to promote and encourage improvement of methods and procedures of duties performed by Clerks; and to address legislative matters relating to the municipal clerk's responsibilities.

PHILOSOPHY

MAMC believes in providing education and professional development programs and opportunities for its members on an on-going basis. MAMC recognizes and understands the varying needs of Township, City, and Village Clerks in communities, big and small, across the State of Michigan. For this reason, our organization has developed the Michigan Professional Municipal Clerk (Mi PMC) designation and Mi PMC advanced level programs. MAMC values a certification program due to the diverse responsibilities among clerks, and encourages continuing education through professional organizations such as the International Institute of Municipal Clerks, Michigan Township Association, Michigan Municipal League, State of Michigan Bureau of Elections, Michigan Government Financial Officers Association, and accredited Universities and Colleges. MAMC is also committed to providing quality educational sessions at the annual summer conference, Master Academy, Free Education Day, and Clerking 101.

Advanced levels in the MiPMC program will be awarded to clerks who prove dedication to continuing education in subjects relating to the municipal clerk’s occupation, as well as personal and professional development focused on improving leadership. The curriculum approved and provided by MAMC, together with partner organizations, will supply the tools necessary to achieve academic and professional success affording clerks the opportunity to attain further recognition by the public and governmental authorities.

MICHIGAN PROFESSIONAL MUNICIPAL CLERK (MiPMC) DESIGNATION

The Michigan Professional Municipal Clerk designation is an honor granted to a clerk who is dedicated to the profession and committed to operating the office with the highest level of integrity attained through educational perseverance. Many laws regulate clerk’s office operations, such as elections, finance, open meetings, Freedom of Information, records retention, human resources, personnel management, and more. Rapidly changing laws place a high-level of importance on education, awareness of amendments and the related impacts these changes will have on our municipalities. This designation aims to provide clerks with the knowledge and skills necessary to implement effective management.

The MiPMC program provides for initial designation as MiPMC and the opportunity to progress to Level Two and beyond.
